APARNA SINGH

I couldn't have chosen a better salon in Indore for my nails. I had opted for gel nail extensions with gel nail paint and art they did a beautiful job. The service and the ambience both were amazing and have already suggested it to my friends. I will surely revisit the place.

SADAF ARMAANI

This is the only salon I trust to deal with my hair properly. The pink palette is amazing! The whole experience is very relaxing. I have fallen in love with being here Easy appointments, welcoming staff. I did hair straightening here. I love how my hair turned out! Definitely recommend coming here, thanks pink palette

NUPUR KAPOOR

Came to Pink Palette after recommendation from my sister. Absolutely the best place in Indore!! I don't live in India so finding a spot that's clean, professional, and offers advanced facials is usually by trial and error, finding Pink Palette turned out to be a boon! Their hydra-facial is one of the best that I have had and their gel manicures are so neat and precise. I finally found my salon in Indore will definitely come again.

The facility is beyond gorgeous. I must say very professional and friendly staff. They have the best Nail technician I've ever had. The salon is very clean and organised as well. I had my Medicare and pedicure, they care & take the time to make sure you are getting what you've come for. It's simply the best Salon in Indore. I would highly recommend anyone coming here. I would like to also note that if I could more than 5 stars on this review. I would give unlimited golden stars. Amazing services.
